MEMORANDUM FOR COMMANDERS, DEFENSE CONTRACT MANAGEMENT DISTRICTS
COMMANDERS, DCMC CONTRACT ADMINISTRATION OFFICES

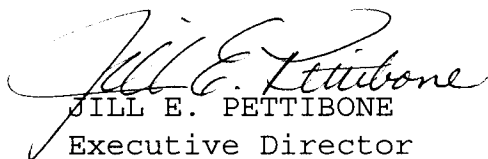

SUBJECT: DCMC Memorandum No. 97-027, DCMC Environmental
Support Program (ESP) (INFORMATION)

This is an INFORMATION Memorandum. Target Audience: All
DCMC employees.

There is some apparent confusion in the field about the current
DCMC ESP and environmental policy. This has resulted from a
previous memorandum, same subject, dated October 11, 1994, signed
by Mr. Robert Scott. The 1994 memorandum is no longer in effect.

Our new environmental policy is reflected in DCMC Memorandum
No. 97-64, Acquisition Pollution Prevention (AP2I) (POLICY). The
current focus of our Environmental Program is on pollution
prevention. However, to integrate environmental concerns into the
performance of our contract management functions, we have
referenced our ESP or related concerns in the appropriate "One
Book" chapters. In addition, awareness training will be provided
to all DCMC functional personnel. The pilot class is being held
on July 31, 1997, with deployment to the field anticipated during
Fiscal Year 1998. Together, these actions should assure our
integration efforts are successful.

Questions should be directed to Mr. Michael Carter, Flight
Operations, Specialized Safety and Environmental Team, at
DSN 427-2446, (703) 767-2446 or email michael_carter@hq.dla.mil.
